Plus Classes – Students choose four half days (12 CMG Education Credits) at any location

CMG volunteer Orientation – as schedules by local county

Colorado Master Gardener Program / Colorado Gardener Certificate Training Plus Class Schedule, 2010

New CMG Volunteers and CGC Students

- Students are to take 12 CMG Education Credits (four 3-hour class blocks) attending any class of their choice at any location.
- For CMG volunteers, additional classes may be taken in future years as continuing education.
- Preregistration required, on a first come basis. Registration opens January 11, 2010 for new CMG volunteers and CGC students.
- Training materials are in your CMG GardenNotes manual with additional materials supplied by the instructor at the class.

Continuing Education for continuing CMG Volunteers

- CMG Volunteers may take up to 12 CMG Education Credits (four 3-hour class blocks) attending any class of their choice at any location, limited to available space
- Registration required, on a first come basis. Registration opens Saturday, February 19th for continuing CMG volunteers.
- Class materials: CMG volunteers should update their CMG GardenNotes used in the class on-line at www.cmg.colostate.edu. Click on the link to 'Update CMG GardenNotes'. If you do not have internet access, contact the CMG staff in your county office for updates. CMG GardenNotes will not be available at the class. Additional class materials (beyond current CMG GardenNotes) may be supplied by the instructor at the class.

Sign-up

- Advance sign-up is required for CMG Plus Classes and is processed on-line through *CMG Volgistics* at www.cmg.colostate.edu. For details on using *CMG Volgistics* refer to instructions on the website. If you do not have internet access, contact the CMG Staff in your County Extension Office.
- Sign-up is on a first come basis. Class size is limited, depending on the locations' seating capacity.
